

# Baby Obey Me

Kim Wilde

You promise to love me and stay by my side  
To honor, respect me 'till the day that I die  
Now I don't wanna say that those words are not true  
But this I should tell you before yo usay I do

Oh Baby Obey Me and you won't regret it  
Don't play me, betray me, 'cause I won't forget it  
But if you want my love 'till you can't take any more  
Oh Baby Obey Me and I will be yours

Now love's so confusing when two people lead  
So I'm here to tell ya that's not what you need  
It's not complicated just do as I say  
I'm ready to love you, let's go all the way

Oh Baby Obey Me and you won't regret it  
Don't play me, betray me, 'cause I won't forget it  
But if you want my love 'till you can't take any more  
Oh Baby Obey Me and I will be yours
