

Chequered Love

Kim Wilde

You say everything's alright
I say nothing can go right, yeah
Oh what a game you can play
Sad days add to confusion
Sad ways end in dillusion, yeah
That's the name of the game

Well I know your love is rough
And the road you take is tough
But I just can't get enough
Chequered love

Touch me, do what you want to
Say no, then, I just need you
Babe, your gonna drive me insane
You are man for all seasons
You are man with no reasons, yeah
You're the man with no pain

Well I know your love is rough
And the road you take is tough
But I just can't get enough
Chequered love

Oh I can't let go
Oh I can't let go
'Cos I need you so tonight

Oooh, Oooh, Oooh, Oooh
Oooh, Oooh, Oooh, Oooh

You say everything's alright
I say nothing can go right, yeah
Oh what a game you can play
Sad days add to confusion
Sad ways end in dillusion, yeah
That's the name of the game

Well I know your love is rough
And the road you take is tough
But I just can't get enough
Chequered love
