

Get Out

Kim Wilde

I got a feeling and I don't like it What you do, what you do, what you do to me I've been brainwashed, I gotta fight it Now I see, what you do, what you do to me

I'm taking control tonight I know what I want tonight

Get out of my face and out of my skin Don't wanna go back, I'm not gonna let you in Get out of my head ... out of my head Get out of my bed and run for your life I'm shutting you down You're not gonna twist my mind Get out of my head, get out of my head

I'm disconnecting, erasing everything What you did, what you did, what you did to me This time I don't care, so shut your mouth yeah Nothing left you could do, you could do to me

I'm taking control tonight ...

Hey - Get out of my face ...

This is my life And I'm taking it back for the last time Now it's too late and I'm turning my back Got my head straight

Get out of my face ...

This is my life ...
