

It's Alright

Kim Wilde

Don't you worry 'Cause it's alright
Don't you worry Child of the night
'Cause in the morning come
With the new day sun
Love and everlasting light

We are the seed of the new breed
We will succeed our time has come
We are the new
These words are true
Let the light of love shine through

It's alright... it's alright
It's alright... It's really alright
It's alright...
It's really alright

It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
It's really alright

Listen to me
Dreams can come true
Call out to love
It will answer you

Forget your trouble and smile
Let your heart speak awhile
Let the light of love shine through

We are the seed of the new breed
We will succeed our time has come
We are the new
These words are true
Let the light of love shine through

It's alright... it's alright
It's alright... It's really alright
It's alright...
It's really alright

It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
It's really alright

It's alright... it's alright
It's alright... It's really alright

It's alright...
It's really alright

It's Alright it's alright
Everything's gonna be alright
It's Alright it's alright
