

Never Trust a Stranger

Kim Wilde

I knew there was a danger
But couldn't resist
The touch of a stranger
The thrill of his kiss
Cos this time
I thought it was love
I thought it was heaven
Having the time of my life
I know it's not true

Oh never trust a stranger with your heart
Oh no, never trust a stranger with your heart

My world is in pieces
You've stolen my pride
And I'm left defeated
And crushed by your lies

Like a tiger you hunted and tracked me down
Savaged my soul and took over control
And then when you'd used all the love you found
You left without trace
Not a note or a single goodbye
I thought it was love
I thought it was heaven
Having the time of my life
I know it's not true

Oh never trust a stranger with your heart
Oh no, never trust a stranger with your heart
