Remember Me

Bye baby, see you around Didn't I tell you I wouldn't hold you down Take good care of yourself, y'hear Don't let me hear about you shedding a tear You're gonna make it You're gonna take it

Remember me as a sunny day That you once had, along the way Didn't I inspire you a little higher Remember me as a funny clown That made you laugh when you were down Didn't I boy, didn't I boy

Remember me as a big balloon At a carnaval that ended too soon Remember me as a breath of spring Remember me as a good thing

Bye baby, see you around I already know about the new love you've found What can I do but wish you well What we had was really swell I won't forget it, I have no regrets

Remember me as a sound of laughter And my face the morning after Didn't the sky beckon us to fly? Yes, you'l remember the times we fought But don't forget me in your tender thoughts Please darlin' oh yeah

Remember me when you drink the wine Of sweet success and I gave you my best Remember me with every song you sing Remember me as a good thing

Remember me as a sunny day Please darling, remember me as a good thing Remember me when you drink the wine Remember me as a good thing Remember me as a big balloon Don't forget me darling
