

## 8th World Wonder

Kimberley Locke

Woke up early this morning, made my coffee like I always do.  
Then it hit me from nowhere, everything I feel about me and you  
.   
The way you kiss me crazy, baby you're so amazing.

Seven days and seven nights of thunder,  
The waters rising and I'm slipping under.  
I think I fell in love with the 8th world wonder yeah.

I guess that I'm just falling deeper into something I've never  
known.  
But the way that I'm feeling, makes me realize that it can't be  
wrong.  
You're love's like a summer rain, washing my doubts away.

Seven days and seven nights of thunder,  
The waters rising and I'm slipping under.  
I think I fell in love with the 8th world wonder yeah.

It's only been a week, but it's coming over me.  
It's making me believe that you're the one for me.

Seven days and seven nights of thunder,  
The waters rising and I'm slipping under.  
I think I fell in love with the 8th world wonder yeah [x4]
