Better Than This

Kimberley Locke

There's a shadow in my mind, that I'm tryin' to leave behind but it can't get me down. There are clouds in the sky, still, the sun is in my eyes whenever you're around.

It's all good, like I could finally be the one who gets to win. It's so real, how I feel ever since I let you in.

Does it get any better than this? We're into something beautiful. Bein' with you's as good as it gets. It doesn't get any better...

It's as if, the night is ours. I can see a billion stars that were never there before. Like there's something in the air I can feel it everywhere, I just want more and more.

It's all good, like I could fly up to the moon and back again. It's so real, how I feel, never want it all to end.

Does it get any better than this? We're into something beautiful. Bein' with you's as good as it gets. It doesn't get any better...

Standin' here in my shoes, I feel like I can't lose, no, not this time. O-o-oh, the worst is in the past, we save the best for last when now I find everything is just fine!

Everything is just fine!

Does it get any better than this? We're into something beautiful. Bein' with you's as good as it gets. It doesn't get any better than this!

No, no, no!

Something beautiful! As good as it gets! Baby, you and me. It doesn't get any better! We're into something beautiful!
