

# Change

Kimberley Locke

Sorry for what I forgot to say  
But you know how words get in the way baby, lately  
Wasn't strong enough to cut right through  
All the red tape between me and you, baby  
Time escapes me

What's it gonna take to shake these blues  
Pushing through the clouds just to get to you  
Can't hold back the storm that's blowing through, yeah

I feel a change, babe, washing over me  
I feel the rains, babe, coming to set me free  
It's a one way track, ain't coming back  
This train's about to leave  
I feel a change coming over me

Never noticed that it's kind of strange  
Same story but a different day lately, oh baby  
Gotta get up, gotta change the scene  
Gotta rip this page from the magazine

(I feel a change, babe) Change washing over me  
(I feel the rains, babe) I feel the rains, yeah, coming to set me free  
It's a one way track, I ain't ever coming back  
(This train's about to leave) This train's about to leave, yeah  
I feel a change coming over me, yeah

I ain't trying to be difficult, no no  
I ain't trying to be mean  
I just gotta do right now  
What's best for me, oh

(I feel a change, babe) Something's changing, baby, deep inside of me  
(I feel the rains, babe) I feel the rains coming down to set me free  
(It's a one way track) I ain't ever going back  
(This train's about to leave) If you wanna go, baby, this train's gonna leave  
(I feel a change) There's a change coming over me, yeah

Oh, yeah  
I feel a, I feel a change coming over me  
Rain washing down on me  
Coming to set me free, baby  
I feel a change, yeah  
I feel a change, yeah  
A one way track  
I ain't never coming back  
This train's about to leave, baby  
I feel a change, yeah
