

# One Day I'll Fly Away

Kimberley Walsh

I follow the night  
Can't stand the light  
When will I begin  
My life again

One Day I'll fly away  
Leave your love to yesterday  
What more can your love do for me  
When will love be through with me  
Why live life from dream to dream  
And dread the day that dreaming ends

One Day I'll fly away  
Leave your love to yesterday  
What more can your love do for me  
When will love be through with me  
Why live life from dream to dream  
And dread the day that dreaming ends

One day i'll fly away, fly away, fly away  
(repeat to fade)
