

# Going Going Gone

Kimberly Caldwell

Everybody's talking, baby  
'Cause you ain't doing right  
Heard you gone and blown it, baby  
Sleeping in your bed of lies

If you're gonna do stuff  
Then you should've cleaned it up  
If you needed more love  
Then you should of just spoke up  
Instead of posing, making me think everything was fine.

I was trying to fight it, so in disbelief  
'Cause I really thought that this was one  
I kept saying to myself I need to leave  
But this time I really mean it, I'm done

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving  
I'm gone  
I'm gone

Save the dumb excuses, baby  
'Cause it ain't gonna fly  
You took my love for granted, baby  
You can sleep alone tonight

'Cause I packed my clothes  
All my stuff is in the trunk  
You would've seen dust  
If you hadn't just pulled up

I'm getting out  
It's over, babe  
I'm not changing my mind

I was trying to fight it, so in disbelief  
'Cause I really thought that this was one  
I kept saying to myself I need to leave  
But this time I really mean it, I'm done  
Oh, yeah

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving

I'm gone

It was so foolish of me  
To stay with you  
As long as I didn't know it, oooh  
This love is over, honey  
I'm warning you  
Don't even call my friends, try to look for me 'cause I'm out of reach  
Ooooooooooh

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving

Don't blink if you're looking for me  
'Cause I'm going going gone this time, yeah  
Don't think you can do this to me  
There's no more deceiving, this time I'm leaving  
I'm gone  
I'm gone  
I'm gone  
I'm gone  
I'm gone
