

# Taking Back My Life

Kimberly Caldwell

It's over now for good  
I lost you some how I knew I would  
You left me all alone, you left me with no hope and now  
I'm on my own  
And I can't help the way I feel today  
I know that you'll never feel the same way  
You will never change so I walk away this time  
This time I know  
I'm taking back my life  
I tried as hard as I could  
I never gave up when I knew I should  
I cried at night  
I cried all the time but now  
I'm taking back my life  
And I can't help the way I feel today  
I know that you'll never feel the same way  
You will never change so I walk away this time  
This time I know  
I'm taking back my life  
Though you've taken all I had again  
I'm stronger than I've ever been  
I finally have to move on with my life  
And I can't help the way I feel today  
I know that you'll never feel the same way  
You will never change so I walk away this time  
This time I know  
I'm taking back my life  
This time I know now, This time its over  
I'm taking back, I'm taking back my life  
It's over now
