

Bad Word

Kimberly Cole

Put your hands up
Put your hands up
(Yeah!) Put your hands up
(Yeah!) Put your hands up

Oh, oh, oh, oh
You want to buy me a cigarette-eh eh-eh-eh
You ain't got money for those
But can afford trashy clothes

When it's time to pay the rent-eh eh-eh-eh
You get your head down instead
Though your life is in a rack

Mowed down, dirty son of a bitch
I truly saw that the time through woods
Slapping with motion

Everybody
Judgment clouded
Can't be around it

You're nothing but a bad word
What the fuck?
Bad word
What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?

Bad word
What the fuck?
Bad word
What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?

I feel you breathing down my neck-eh eh-eh-eh
Don't you got friends of your own
Maybe they'll drive you home

I not sure you took your meds-eh eh-eh-eh
Crazy talking all night
Bout to get in a fight

Mowed down, dirty son of a bitch
I truly saw that the time through woods
Slapping with motion

Everybody
Judgment clouded
Can't be around it

You're nothing but a bad word
What the fuck?
Bad word

What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?

Bad word
What the fuck?
Bad word
What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?

Oh, oh, oh, oh
I know you are guilty
You been cut
Now put your hands

My lights are flashing in your eyes
Now put your hands

Oh, oh, oh, oh
I know you are guilty
You been cut
Now put your hands

My lights are flashing in your eyes
Now put your hands

Oh, oh, oh, oh
Mowed down dirty son of a bitch
I truly saw that the time through woods
Slapping with motion

Everybody
Judgment clouded
Can't be around it

You're nothing but a bad word
What the fuck?
Bad word
What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?
Oh, oh, oh, oh

Bad word
What the fuck?
Bad word
What the fuck?
Bad word
What the fuck?
What, what, what, what the fuck?
Oh, oh, oh, oh

What, what, what
What, what, what
What, what, what, what the fuck?

What, what, what
What, what, what
Put your hands up

What, what, what
What, what, what
What, what, what, what the fuck?

What, what, what
What, what, what
What, what, what, what the fuck?
Oh, oh, oh, oh
