

Smack You

Kimberly Cole

Shut up
Nobody's cares what you have to say
Shut up
Nobody's listening anyway

Eyeliner done wrong
Fake nails too long
Fingers all up in my face
Trying to put me in my place
But you
Think you
Can just say what you wanna
But tonight I'm gonna

Gonna smack you
Right across your lips
Gonna lose your lipstick
Cause you keep on talkin' shit
I'm gonna kick you
Right between the hips
Cause you're such a catty bitch
And for me it's such a switch
Cause I'm usually such a lady
But tonight I'm gonna smack a bitch

Speak up
I know it's hard to talk with swollen lips
Get up
Oh wait, let me take my heels out from between your hips

Eyeliner done wrong
Fake nails too long
Fingers all up in my face
Trying to put me in my place
And you
Think you
Can just say what you wanna
But tonight I'm gonna

Gonna smack you
Right across your lips
Gonna lose your lipstick
Cause you keep on talkin' shit
I'm gonna kick you
Right between the hips
Cause you're such a catty bitch
And for me it's such a switch
Cause I'm usually such a lady
But tonight I'm gonna smack a bitch

Sticks and stones, they have their place
When words don't work and you can't walk away
You brought-out a side of me that I don't like
I bet next time you'll think twice
