

Cameo Lover

Kimbra

1. This is nonstop baby

You've got me going crazy
You're heavier than I knew
But I don't want no other

You're my cameo love
Only here for a moment or two
You stay inside that bubble

With all of your trouble
In your black hole
You turn from the skies

You dance with your demise
I'll be here when you come home

X: We've all gotta break down
Let me come and break down, there with you

R: Cause everyday's like talking in your sleep!
Love is like a silhouette in dreams!
Open up your heart! Open up your heart!
Open up your heart and let me pull you out
Cause everyday's like talking in your sleep!
Love is like a silhouette in dreams!
Open up your heart! Open up your heart!
Open up your heart and let me pull you out of here

2. I've got high hopes baby
But all you do is take me down to depths that I never knew
You've got two arms baby
They're all tangled in ladies of the black skies posing blue
Let go of your mother
And turn to your brother!
Not a long gone lover's noose
Sometimes baby the hardest part of breaking
Is leaving pieces behind you

X: Oh we've all gotta get by
Let me come and hold you high, with you

R: Cause everyday's like...

*: Open up your heart to me!
The sun won't shine if you're not looking
Baby love is all that you need

When everyday's like talking in your sleep!

Love is like a silhouette in dreams!
Open up your heart! Open, open, open...

Everyday's like talking in your sleep!
Love is like a silhouette in dreams!
Open up your heart! Open up your heart!
Open up your heart and let me pull you out

Open up your heart! Open up your heart!
Open up your heart! Open up your heart!
Open up your heart! Open up your heart!
