1. This is nonstop baby

You've got me going crazy You're heavier than I knew But I don't want no other

You're my cameo love Only here for a moment or two You stay inside that bubble

With all of your trouble In your black hole You turn from the skies

You dance with your demise I'll be here when you come home

- X: We've all gotta break down Let me come and break down, there with you
- R: Cause everyday's like talking in your sleep!
 Love is like a silhouette in dreams!
 Open up your heart! Open up your heart!
 Open up your heart and let me pull you out
 Cause everyday's like talking in your sleep!
 Love is like a silhouette in dreams!
 Open up your heart! Open up your heart!
 Open up your heart and let me pull you out of here
- 2. I've got high hopes baby But all you do is take me down to depths that I never knew You've got two arms baby They're all tangled in ladies of the black skies posing blue Let go of your mother And turn to your brother! Not a long gone lover's noose Sometimes baby the hardest part of breaking Is leaving pieces behind you
- X: Oh we've all gotta get by Let me come and hold you high, with you
- R: Cause everyday's like...
- *: Open up your heart to me!
 The sun won't shine if you're not looking
 Baby love is all that you need

When everyday's like talking in your sleep!

Love is like a silhouette in dreams!

Open up your heart! Open, open, open...

Everyday's like talking in your sleep!
Love is like a silhouette in dreams!
Open up your heart! Open up your heart!
Open up your heart and let me pull you out

Open up your heart! Open up your heart!
