## **Miracle**

I'm rising up Sometimes I want to get away And from the moment I met you I'm ready to fade I'm ready for a brighter day Like a castaway, sometimes I feel so separated But I can never forget you The emotion's fine Yeah, you shine a little light of me Send me your love again 'Cause you're my miracle Yeah, can't describe but I'll leave it in a Miracle, Miracle [?] Send me your love again 'Cause you're my miracle I'm rising up Sometimes I feel so far away But it's like [?] I'm ready to [?] I'm ready for a brighter day Now I flash away Your love is like a [?] We're dividing the fiction [?] What's happening inside of me Send me your love again 'Cause you're my miracle Yeah, can't describe but I'll leave it in a Miracle, Miracle [?] Send me your love again 'Cause you're my miracle You got me with my hands up Got me seeing visions of love Yeah you got me with my hands above my head And every thought I can't believe it again Send me your love again 'Cause you're my miracle Yeah, can't describe but I'll leave it in a Miracle, Miracle [?] Send me your love again 'Cause you're my miracle Miracle, Miracle Miracle, Miracle
