

## Delicate

Kina Grannis

You said, "Be careful, it's delicate  
Things can just crumble apart"  
But it's not the same for me  
It's not the same for me

I kept treading so carelessly  
Thin lines that splintered my ground  
But I closed my eyes to them  
I closed my eyes to them

How did you know that I couldn't be  
What everyone wanted me to be  
And how did you know that I wouldn't see  
When everything falls away from me  
When everything falls away from me

One day I woke in the rubble  
Knee-deep in damage I'd done  
I was ashamed of it  
How did it come to this?

And how did you know that I couldn't be  
What everyone wanted me to be  
And how did you know that I wouldn't see  
When everything falls away from me  
When everything falls away from me

How did you know that I couldn't be  
What everyone wanted me to be  
And how did you know that I wouldn't see  
When everything falls away from me  
When everything falls away from me
