

## My Dear

Kina Grannis

I cannot live without you  
I told you this is true  
I'll take pieces of you with me  
I'll take parts you never knew

And one day you will wake up  
Without warning or a clue  
And start to notice little things  
That are missing parts of you

Oh, I need you here  
Oh, you will always be my dear

The freckle on your shoulder  
And the creases on your cheeks  
The scar upon your forehead  
And your whisper when you speak

I took them cause I need you  
I took them to be mine  
I took them so you miss them  
So you'd want them back in time

Oh, I need you here  
Oh, you will always be my  
Oh, I need you here  
Oh, you will always be my dear

If I hold on to you  
Don't let me go  
Will you, feel me, need me  
Don't let me go  
If I hold on to you  
Don't let me go  
Will you, feel me, need me  
Don't let me go

(If I hold on to you)  
Oh, I need you here  
(Don't let me go, will you, feel me, need me)  
Oh, you will always be my  
(Don't let me go, if I hold on)  
Oh, I need you here  
(Don't let me go)  
Oh, you will always be my dear
