

# World In Front Of Me

Kina Grannis

Hear your breath beside me in my bed  
All the sheets are tangled in my legs  
And as I stretch  
The sun falls on me  
A gentle way to say-- It's time to wake up  
It's time to wake up

To the world in front of me  
Watch as it unfolds so beautifully  
Fitting all the pieces perfectly  
It's the world in front of me

Start your day with coffee, mine with tea  
Humming with my guitar as you read  
I write a song  
The words all find me  
Assembling into this picture of things  
With all that they bring

To the world in front of me  
Watch as it unfolds so beautifully  
Fitting all the pieces perfectly  
It's the world in front of me

It's the world in front of me  
Watch as it unfolds so beautifully  
Fitting all the pieces perfectly  
It's the world in front of me
