

## A Song For You

Kind of Like Spitting

I've been so many places in my life and time  
I've sung a lot of songs I've made some bad rhymes  
I've acted out my love in stages  
With ten thousand people watching  
Now we're alone and I'm singing my song for you

I hoped your image of me is what I hoped it to be  
I treated you unkind but darlin' can't you see  
There's no one more important to me  
So darlin' won't you see right through me  
When we're alone and I am singing my song for you

You taught me precious secrets of a love withholding nothing  
You came out front when I was hiding  
Now I am so much better, if my words don't come together  
Listen to the melody cause my love is in there hiding

I love you in a place where there's no space or time  
I love you for my life, you are a friend of mine  
And when my life is over  
Think of when we were together  
When we were alone and I was singing my song for you
