

Boy Cries Wolf

Kind of Like Spitting

It's happening again
Sorry to say you're just in time when
Comedy escapes me
I smile I'm doing fine
I don't want to scare you
Like I've done in the past
I'll just keep my mouth shut
'Cause I know it never lasts
'Cause when a boy cries wolf, boy cries wolf
'Cause when a boy cries wolf, boy cries wolf
He gets ignored
It's happening again
Keeping myself busy with down time
I lie, I lie, I fib
What good does it do to speak my mind?
I don't want to scare you
Like I've done in the past
I'll just keep my trap shut
'Cause I know it never lasts
When a boy cries wolf, boy cries wolf
When a boy cries wolf, boy cries wolf
When a boy cries wolf, boy cries wolf
He gets ignored
