

# Passing Through

Kind of Like Spitting

ready Dave?

mhmm

I saw Adam leave the garden with an apple in his hand  
"now that you're out what are you gonna do?"  
"plant some crops and wait for rain  
think I'll raise a little cain  
I'm an orphan now and I'm only passing through

passing through, passing through  
sometimes happy, sometimes blue  
glad that I ran into you  
tell the people that you saw me passing through"

I saw Jesus on the cross on the hill called Calvary  
"do you hate mankind for what they done to you?"  
he said "speak of love not hate,  
things to do it's getting late.  
I have such little time and I'm only passing through

passing through, passing through  
sometimes happy, sometimes blue  
glad that I ran into you  
tell the people that you saw me passing through"

I was by Franklin Roosevelt's side on the night before he died  
he said "one world must come out of World War II  
Yankee, Russian, white or tan, lord, a man is still a man  
we're on one road and we're all just passing through

passing through, passing through  
sometimes happy, sometimes blue  
glad that I ran into you  
tell the people that you saw me passing through

passing through, passing through  
sometimes happy, sometimes blue  
glad that I ran into you  
tell the people that you saw me passing through"
