

Oh I know you have to go away
And I'm no reason for you to stay
But I'll be waiting here
A reason to come home

All love lends no rights I can only try my best
I don't need to see you to know how beautiful you are
I don't need to find you to know you're going on so far
Oh I don't need to wait for you to know you're coming home
Oh but darling I need to love you cus you're my heart and my soul

Oh and when your is spinning swelling oceans in your track
Oh and dancing locals oh in every land
Oh every singing tongue oh will kiss your ear
Oh and through your mind busy spinning words and rhymes start at the beginning

I don't need to see you to know how beautiful you are
I don't need to find you to know you're going on so far
Oh I don't need to wait for you to know you're coming home
Oh but darling I need to love you cus you're my heart and my soul

I don't need to see you to know how beautiful you are
I don't need to find you to know you're going on so far
I don't need to wait for you to know you're coming home
Oh but darling I need to love you cus you're my heart and my soul

I don't need to see you to know how beautiful you are
And I don't need to find you to know you're going on so far
And I don't need to wait for you to know you're coming home
Oh but darling I need to love you cus you're my heart and my soul
