

# Indiscipline

King Crimson

I do remember one thing.  
It took hours and hours but..  
by the time I was done with it

I was so involved  
I didn't know what to think.  
I carried it around with me for days and days..  
playing little games  
like not looking at it for a whole day  
and then.. looking at it.  
to see if I still liked it.  
I did.

I repeat myself when under stress.  
I repeat myself when under stress.  
I repeat myself when under stress.  
I repeat myself when under stress.  
I repeat..  
The more I look at it

the more I like it.  
I do think it's good.  
The fact is..  
no matter how closely I study it

no matter how I take it apart

no matter how I break it down

It remains consistant.  
I wish you were here to see it.

I like it.
