

Halloween

King Diamond

Oh It's Halloween

Every Night To Me Is Halloween
Like An Ancient Scene
You Know Just What I Mean

Halloween You Are My Pride
Halloween Not Just A Dream

The Moon Is Full, Another Perfect Day Has Began
Like A Demon's Eye, That Devil's Eye
Will We Ever Die

Halloween You Are My Pride
Halloween Not Just A Dream

Every Night Will Be Another Evil Scene
Like In Horror Dreams I Want
I Command You To Scream

Halloween You Are My Pride
Halloween Not Just A Dream
Halloween... Halloween...
