

Lurking in the Dark

King Diamond

Solo: Mike

When Nightfall Comes Around And The Light Of Day Is Gone
The Dark Closes In As The Last Candle Burns Out
It's Time To Send Off Your Mind On A Trip
Into The Land Of Dreams And Mist

Is Something Wrong
They Are Lurking In The Dark

Solo: Mike

Heavy Breathing But Nobody's There
If That's What You Think You'd Better Beware

Is Something Wrong
They Are Lurking In The Dark, Watching You

Solo: Andy - Solo: Mike

How Does It Feel To Be Alone In The Dark
How Do You Know They Won't Do Any Harm
They Can See You But You're Oh So Blind
Maybe It Only Appears In Your Mind

Is Something Wrong
They Are Lurking In The Dark, You'll See
