

Out From the Asylum

King Diamond

Look, the old bitch is back - yeah, finally we'll get some company again the attic room has been locked up for far too long - just like the old bitch herself - she's on time though - why that silly wheelchair? Oh she's pretending as always - but she does make a good cup of tea.

"Oh My God she's here. Missy, listen to what Mother says: Now You be good to Grandma; and remember she's been away on a long vacation. That goes for You too King. And stop playing that thing. Answer the door"
