

# Sleep Tight Little Baby

King Diamond

Lucy... it's time for bed now, and you need your rest  
So lie down in your coffin dear, and sleep tight  
I'll wake you when Daddy's here, alright?  
No No don't... d-d-don't cry little girl  
Little girl from head to toe  
Deep into the ground you go... down... DOWN!

Sleep tight little baby, sleep tight below the ground  
Sleep tight little baby, nowhere to run around

OH... The worms, Oh... The worms

Is that your Daddy... your Daddy?

Sleep tight little baby, sleep tight below the ground  
Sleep tight little baby, nowhere to run around

OH... The worms, Oh... The worms

Is that your Daddy... your Daddy?

And as I'm waiting by the cemetery gates  
For her father to show  
Something's pounding at my head  
It's like I... I, I can still hear her SCREAMING

SOLO: Andy

Oh Lucy, I'm doing all this for you  
Oh Lucy, I didn't mean to, I didn't want to  
But you've got to

Sleep tight little baby, sleep tight below the ground  
Sleep tight little baby, nowhere to run around

OH... The worms, Oh... The worms

Is that your Daddy... your Daddy?

So you came at last? Let me see your heart  
Let me see your face, you son of a bitch

SOLO: Herb

I see a baby crying, I see a little tear  
Oh yeah, I know you're trying  
But you can't stop the fear... DADDY!

If you ever want to see your little girl again  
You better do as I say  
Dear Mr. Mayor, welcome to my humble tomb  
Come inside, you know you have to
