

# The Candle

King Diamond

Years Have Gone,  
It Can No Longer Be Left Undone  
The Candle Must Be Burn Again,  
And Pain must Follow the Unholy Flame  
So Burn... Burn... Burn  
And Free the Spirit From Its Chain

Here I Am Blinded Again By That Flame  
In Every Candle That I Burn, Burn!  
I See That Same Face Return, It Returns

Eyes In Pain, My Little Queen Are You A Dream  
In Every Candle That I Burn, Burn!  
I See That Same Face Return, It Returns

Solo: Mike

Time Has Come For You To Tell The Truth,  
What Shall I Do  
Tears Are Running From Her Eyes  
If She Could Only Tell Me Why,  
Tell Me Why

Solo: Mike

The Jonah... The Jonah

In Twisted Key  
She Speaks A Word To Me And Then I See  
Her Face Falling Apart  
The Word "Jonah" Is Her Mark,  
She's Branded...

Solo: Andy
