

# The Possession

King Diamond

On the very next morning  
When the mist was eaten away by the sun  
Miriam grew hour by hour  
and Jonathan he cried  
He knew the ghost had been telling the truth  
So this was 9  
The pregnancy would not last overnight

Oh she started singing  
A lullaby, rocking the cradle again  
And then she said  
"I'm having Your baby my love... love"

But it wasn't love, Oh no  
She was possessed... and he knew

SOLO: Mike

"I will get what is rightfully mine"

SOLO: Andy

Speaking with different tongues  
Miriam was eaten alive from inside Again she said  
"I'm having Your baby my love... love"

But it wasn't love, Oh no  
She was possessed... possessed
