

## Organ Farmer

King Gizzard & The Lizard Wizard

Make the incision  
Careful precision  
Blood minestrone  
Decomposition  
New life christen  
Fatty rolls of greed

Organ farmer  
Organ farmer

Delicatessen  
Other profession  
Growing muscle meat  
Bring in the carcass  
Where'd you get the body  
Speak our blasphemy

Organ farmer  
Organ farmer

Counterfeit hypocrite  
Runs them all, runs them all  
Seething ill 'cause they will  
Counting coins. Counting stem cells  
Wiretap turbidity  
Human laboratory  
Kill the squid, cut the tree  
Arrogant human meat  
Metal thrust, body parts pulled apart  
Partly smart, partly odd, piling on  
Part of me wants to breathe eternally  
Part of me wants to cut out my heart

Farm colossal  
Wake the fossil  
In the fields of beef
