

## A Lizard State

King Krule

(Trapped in a Lizard State)  
I don't care about sunny days  
Gonna keep me out of sight right under the shade  
Gonna keep me out of sight right under the shade  
It's gonna be like this and that's alright if that's OK  
Is that OK?  
Myself repeats these lines in my head I'm dead.  
Tired of the shit you caused, fucking bitch  
You don't know when to stop  
You're a bunch of fat bitches, motherfucking fat bitches  
I don't want to be trapped in the black of your heart  
And I'm going to fuck things over 'cause that's a start  
Well, if I can't have her, then no one can  
But baby what am I to do?  
I've given up on loving you  
I know it's not nothing new  
So please do what I ask you to  
And please do what I want of you  
It's just not fair, baby blue, girl it's true  
One day I'm gonna have you  
But for now I don't care  
I still feel the pain  
Of you not loving me the same  
There was not much that I could do  
Not much that I could do  
(Trapped in a Lizard state)  
Well I got you on my back  
But I'm not gonna crack like you cracked  
You're a fucking pussy boy woah woah  
Slipping up on my humble pie  
You got no legs to keep anywhere near my height  
So don't try and get near my height  
Don't try keeping me out of the way  
I wanna see what you got to say  
I wanna hear what you got to say  
If that's OK, if that's not OK  
Well what's OK?  
I don't want to be trapped in the black of your heart  
And now I'm gonna make it clear and girl I'll tear you apart  
From the inside to the out  
Baby what am I to do?  
I've given up on loving you  
I know it's not nothing new  
So please do what I ask you to  
And please do what I want of you  
It's just not fair, baby blue, and girl it's true  
One day I'm gonna have you  
But for now I don't care  
I still feel the pain  
Of you not loving me the same  
But girl what was I supposed to do?  
Yeah I was so hung up on loving you  
And girl believe me this is something new  
'Cause all I will do  
Is girl whatever I have to do  
They all knifed me in the back and girl I can't believe  
It's slipping away like that
