

Out Getting Ribs

King Krule

Hate, runs through my blood
What matter are words in love
But my heart always left above
I've gotta believe you now
I thought I'd never be shut down
But girl, I'm black and blue
So beaten down for you
Well, I'm beaten down and blue

Don't break away
I'll waste away
Don't break away

Lay me out across the grey
Hours I should have kept at bay
I had no chance to get away
I can't escape my own mistake
Even more when it's sweet to the taste
Red stairs lead sense astray
I look up and see for faith
But girl, just lean over and say
"Lay me down"
And hear me out
Take my crown
Submerge me down

But wait
I make my last request
Yours could be the best
But boo I need to rest
Well I've been broken down
So much I's lost it now
I just wanted to say
Girl, don't you worry 'bout a thing
Girl
Baby, blue
