

Final rhyme

King Leoric

When no more time is coming
and no more edge is to reach
A mighty blackened rainbow
will come for us to preach
Of what we all deserve
of what is for us to come
The sense of time is ending
it ends for everyone...

Mighty Voices, Speech of battle
Unknown preacher, Holy war
Bring your lifeblood, get damnation
Reigns of steel will light the sky...
Light the sky!!!

See every man is marching
to find the end of time
to crack the final riddle
to hear the final rhyme
to see if he is living
or if he has to die
to speak his final prayer
to sing his battlecry

Mighty Voices, Speech of battle
Unknown preacher, Holy war
Bring your lifeblood, get damnation
Reigns of steel will light the sky...
Light the sky!!!
