

Fluting On The Hump

King Missile

I can't relate to people
Who rush to catch the train
So much strain
For such a momentary gain

Why not just once
Try to live a day
In a leisurely way
Like those paintings by
Duboffet

Fluting on the hump
Fluting on the hump
Like an Arab taking a ride on a camel
Fluting on the hump

Fluting on the hump
Fluting on the hump
Like an Arab taking a slow ride
Fluting on the hump

Fluting on the hump
Fluting on the hump
Like a desert man riding on the sand on a camel
Fluting on the hump
