

April Showers

King's X

One day I'll find someone
One day I won't feel alone
One day I'll find my home
One day, one day

April showers bring May flowers

One day I'll make my peace
One day I'll get relief
One day I'll get it right
One day, one day

April showers bring May flowers
One day, one day

April showers bring May flowers
One day, one day
