

Don't Care

King's X

Lies, games, webs of pain
Giving, taking, oh abuse
Contention, extension, I will not be shamed
Crossing the bridge, I'm on the way

I just don't care like I used to
I don't care about you
I just don't care like I used to
I just care about

Blind, find peace of mind
It's never what it really is
Intention, rejection, little left away
Crossing the bridge, I'm on the way

I just don't care like I used to
I don't care about you
I just don't care like I used to
I just care about you

Such a tossing, to and fro, it's become clear to me
I just want to see the real from the fantasy
