Sometime, I wanna take, I want to take
Sometime, I want to run
Sometime, I wanna stay, I want to stay

Sometime, sometime
Sometime, sometime

Sometime, I want to love
Sometime, I wanna hate, I want to hate
And sometime, I want to build
Sometime, I wanna break, I want to break

Sometime, sometime
Sometime, sometime

Sometime, I want to live
And sometime, I wanna die, I want to die
And sometime, I want to believe
Sometime, I want to get high, I want to fly

Sometime, sometime, yeah oh
Sometime, sometime, oh
Sometime, sing it, come on

Sometime, sometime, sometime
Maybe sometime, maybe all the time
Sometime, oh, and it's what I say

Sometime
Till I find a
