Summer land in my past
Days were full and I knew it would last
I never thought
There was anything else but you

Summer land
The wind is getting cold
Summer land
You're finally getting old

Not much time
There's much to do
Look ahead and walk on through
No one's taking sides this time it's you

Summer land Your sky can still be blue Summer land Always in love with you

Summer land Summer land

Summer land in my past
Days were full and I knew it would last
I never thought
There was anything else but you

Summer land
Summer land
The wind is getting cold
Summer land
You're finally getting old
