

Sunshine Rain

King's X

There's a thorn in my side
And I feel like I'm standing in the middle of a battlefield
Oh Lord, I try

I walk through sunshine rain
In every forest there's a snake
In the apple of my eye

The pain, it comes and goes
I always let myself down
How does the letting go, it's just that way

I walk through sunshine rain
In every forest there's a snake
In the apple of my eye

It takes time, a friend of mine who's fallen down a million times
Told me feelings never go away, you have to learn to live this way
And keep yourself alive, that's what he said, that's what he said

I walk through sunshine rain
In every forest there's a snake
In the apple of my eye

I walk through sunshine rain
In every forest there's a snake
In the apple of my eye

I walk through sunshine rain
In every forest there's a snake
In the apple of my eye
