

## King Tee's Beer Stand

King Tee

Now step up, to the King Tee's beer stand  
And let me know what beer is grand  
No no wait, I got somebody that might convince ya  
Hold up hold up wait

Once again it's on, I'm goin out the front do'  
Ice Cube in the glass house, headed for the sto'  
To get a beer that's better than the rest  
The S-T-Period-I-D-E-to-the-S  
And it'll put hair on your chest  
In the black can, so won'tcha grab a six pack and  
Get your girl in the mood quicker  
Get your jimmy thicker, with St. Ide's Malt Liquor

Hold up hold up  
So when you get a forty, roll to the spot  
Hug and kiss your girl and screw the cap off the top  
And get a taste of the beer that makes you tingle  
And just remember that jingle

Here's something that sweepin the nation by surprise  
It's that fabulous malt liquor they call St. Ide's
