

Last Train

King the Kid

I wanna dance a little bit
No time to take it slow
Cause you and I both know
I'm going home

You wanna dance a little bit
If only to forget the reason you're upset
And broken
Now I'm broken
And I'm going home

You'll find me on the last train rolling
Last train rolling in
You'll find me on the last train rolling
Last train rolling in

Off the track a little bit
I know just where to go
Whenever I feel low and broken
I can feel your silhouette

The closer that we get
Can barely catch my breath
From knowing when we're going
Now I'm going home

You'll find me on the last train rolling
Last train rolling in
You'll find me on the last train rolling
Last train rolling in

I won't worry
I won't worry
'Bout your love
I won't worry
I won't worry at all

The tension between us fuels tonight
Tonight, tonight, tonight
You know that we can't stop
The movement from side to side

I know what you want
I know what you need
Feel your body closer
Breathing heavily
We can't stop the movement
From side to side
From side to side

You'll find me on the last train rolling
Last train rolling in
You'll find me on the last train rolling
Last train rolling in

I won't worry
I won't worry

'Bout your love
I won't worry
I won't worry at all

You'll find me on the last train rolling
Last train rolling in
