

Blue Trees

Kingdom Come

Floating in you
Together so true
Follow me to where I'm going
Exciting and new

Sitting in blue trees
Surfing in pink dreams

Nothing is safe
Still feeling brave
Now is the perfect time

Nothing I've seen
Living a dream
Sailing the waves of my calling
Collecting the cream

Sitting in blue trees
Surfing in pink dreams

Nothing is safe
Still feeling brave
Now is the perfect time

Nothing is safe
Still feeling brave
Now is the perfect time
