

Can't Resist

Kingdom Come

I have never seen her cry
Hasn't shown the slightest smile, oh
Doesn't share her deepest thoughts
She just lets her body talk

I can't resist
Gotta go and kiss her
With a scattered mind
Can't see in her eyes of stone

I don't think she's hurt inside,
Just reserved with a sense of pride, oh
Thinking what's gonna make her show
Straight attack is gonna let me know

I just can't resist
Gotta steal a kiss
It's like hit or miss
Got a scattered mind
Oh - Oh - Oh
I'm burning inside
