

Hope Is On Fire

Kingdom Come

Another bloody day 's in sight
What a thrill we're still alive
TV's shouting on and on!
War is raging, peace is gone

Hope is on fire
No more desire

Sorry if I don't suit your style
I just woke up it took a while
Pardon me I'm running late
I'm busy trying to escape

Hope is on fire
Damage done in definite
No more desire
Time out for dreamer
Mother earth just won't forgive
Too late for healer
