

## I Don't Care

Kingdom Come

I used to follow you  
I used to lean on you  
You told me what to do  
When I was feeling blue

I thought you spoke the truth  
But now you've lost me too

I don't care, what you know  
Don't you dare, say hello  
All alone, got no pain  
On my own, feeling sane

I've come to realize  
You've got me mesmerized  
You almost wrecked my life  
But God was on my side
