

I've Been Trying

Kingdom Come

Too many times I've been trying
Feelings I've had turned to stone
So long
I'm gone

Can't live in shame
Who is to blame
Fate broke our chain
Ain't playing games

Too many times I've been lying
Thinking of her when we touched
So long
I'm gone

Can't live in shame
Who is to blame
Fate broke our chain
Ain't playing games
