

## Perfect 'O'

Kingdom Come

Passion rises between us, babe  
Wanna take you in my arms  
Slide your body down on mine  
Come and move me like ocean waves

Ooh, let it go  
I hear you moan  
Oh, perfect 'o'

Touch the secret inside you, babe  
While our bodies shakin' so  
Oh, the way you tease and please  
It's only you I want to rock and roll

Ooh, let it go  
I hear you moan  
Oh, perfect 'o'  
Oh yeah  
Perfect 'o'
