

Sempre fedele ti voglio
Sempre fedele ti voglio

Fire in your eyes as you see me through
There in the canyon between love and war
there is just you and me
The virtues of trust seemed so different before
Where do you want me to be?

Sempre fedele ti voglio
Sempre fedele ti voglio

Fire in your eyes as you see me through
There in the canyon between love and war
there is just you and me
The virtues of trust seemed so different before
Where do you want me to be?

e mi dà morte pena crudel
e mi dà morte pena crudel

Kingdoms have risen only to fall
Kingdoms have risen only to fall
Kingdoms have risen only to fall
Kingdoms have risen only to fall
